

# Cookbook Fundraiser to Support FPC Teens' Summer Trip to Presbyterian Youth Triennium 2025 in Louisville, Kentucky

If you've hung around for fellowship time following the 10:30 a.m. worship service, you've likely enjoyed FPC member Marilynne Pugh's delicious cooking. Perhaps you've also noticed her recipes here in *The Pulse* newsletter. Now you have the opportunity to purchase a WHOLE COOKBOOK of Marilynne's delectable delights and help FPC teens pursue a memorable experience at the same time! Proceeds from the cookbook will support the teens' trip to the 2025 Presbyterian Youth Triennium, July 28-31, in Louisville, Kentucky ([presbyterianyouthtriennium.org](http://presbyterianyouthtriennium.org)).

The FPC Youth are taking orders for Marilynne's **First Presbyterian Youth Recipe Book** through **Sunday, November 17, 2024**. The spiral-bound

cookbook contains more than 40 main dish, vegetable, salad, soup and dessert recipes, along with helpful cooking tips and a kitchen prayer. Marilynne, who typed the entire cookbook, offers this guide as a way to help beginning and seasoned cooks, and to raise funds to benefit FPC's teens.

"Children and teens are so special to me, and they are the future of the church and the country," Marilynne says. "They need all the love and guidance we, as adults, can give them."
